scottarthurgall@gmail.com

Passionate learner excited to bring experience building support systems for internal and external customers to a technical role and grow as a member of a collaborative engineering team.

PROJECTS:

Looking Back
- Full-stack social media app for memorializing and connecting over lost loved ones. Registered users can create and contribute to public tribute pages.
- *React, Redux, MongoDB, Passport/JWT, Parallax, Heroku*

Job Space
- Full-stack app designed for individuals on the job market allows users to track in-process job applications and related events, filtered and organized by stage in the hiring process from applied to hired.
- *MySQL, Express, Bootstrap, jQuery UI*

Fridge Forager
- Recipe search engine allows users to filter recipes by dietary specifications and ingredient preferences.
- *Materialize, Firebase, Yummly APIs*

EXPERIENCE:

Web developer Apprentice
01/2019 – Present
The Difference Engine – Chicago, IL
- Collaborating with a group of full-stack web developer apprentices, tech leads, and product managers to deliver code on a React/Django buildout of a website for non-profit organization.
- Implementing agile development strategies and git workflow best practices, reviewing peer's code for quality and completeness, and participating in team-led solutions.

Financial Coordinator
07/2017 – Present
Kellogg School of Management – Northwestern University – Evanston, IL
- Managing dozens of departmental accounts totaling over $1 million while improving the accuracy, documentation, and processing time of financial transactions.
- Automating monthly reporting of research/discretionary funds to faculty and PhDs.
- Developing best practices for departmental hiring and tracking of research/teaching assistants, graders, contractors, and work-studies.

Accounts Payable/Contract Administrator
05/2016 – 07/2017
Hanna Design Group – Schaumburg, IL
- Maintained detailed accounting records for construction and architectural projects in several states to ensure prompt payments to outside contractors and vendors.
- Ensured legal and regulatory compliance on contractual agreements with outside vendors in regard to insurance, licensing, taxes, and contract stipulations.
- Documented administration and accounting procedures for future employees and conducted one-on-one training with new contract administrator.

EDUCATION:

Northwestern Coding Bootcamp – *full stack web development certificate*
03/2018 – 09/2018
- Collaborated with classmates to develop and deploy original full-stack web applications.

Northeastern Illinois University – *B.A. in Special Education*
08/2006 – 05/2010
- Demonstrated effective pedagogical approaches to fostering educational, emotional, and interpersonal development in students with special needs.
